## **Bentzon / Franck / Campagnol Trio**

Video track: "Love for Sale"

### **About**

Nikolaj Bentzon – former pianist and conductor of the US Grammy-award winning Danish Radio Big Band – has teamed up with super bassist Daniel Franck and drums-wiz Niclas Campagnol.

They unite in the classic trio format as the new **red-hot fire brigade of jazz**. Hard-swinging 60s-bluesy piano trio jazz á la Ahmad Jamal, Les McCann, Ramsey Lewis, Gene Harris, Bobby Timmons a.o.

### **Fiery and cool...**

#### **Memphis and Moscow...**

**Burning and exquisite jazz, ideal for hot summer nights as well as the frost frozen ones...**

### **Bio**

#### **Nikolaj Bentzon**

Brilliant Danish jazz capacity with 15 albums as a leader + countless recordings and cooperations with a virtual who's-who in jazz. Bentzon is the 9th generation of a 250-year long un-broken reign of outstanding Danish composers.

#### **Daniel Franck & Niclas Campagnol**

Frankly, these guys provide the leading **Launch Ramp of Rhythm** in Danish jazz.

Both gentlemen are highly sought-after on the Scandinavian Jazz scene, and here they gang up with Bentzon for a mutual burnout of hard-swinging jazz!!
